5. The bids of only those bidders, who have purchased the tender document in their names, will be considered.
6. EDCIL reserves the rights to reject any bid or all the bids without assigning any reasons.
7. The bidder will accept all conditions of the tender document unconditionally or depending upon the decision of the Tender Evaluation Committee.
8. Financial bids of only the technically qualified bidders will be opened and scrutinized.
9. Validity of the Bid is **60 days** from last date of submission of bid.

Note: The client shall be responsible for any postal delays about non-receipts/ non-delivery of the documents. All late bids/ incomplete bids would be rejected out rightly.

I. SCOPE OF WORK :

The company recognizes a massive market opportunity to equip schools with technology and other teaching learning resources and capacity building of teachers to leverage IT to improve quality of education in schools. The gaps in educational quality can be effectively bridged through an integrated and mass marketed school improvement programme incorporating a blend of technology infrastructure and varied teaching learning methodologies. A variety of technology tools, techniques, e-content and resources need to be incorporated for comprehensive development of students and teachers specially in areas where IT exposure to students and teachers is minimal.

The following are targeted to be the main goals of the Holistic Education Solution:

- (1) ICT Enabled learning to boost up the rural education system
- (2) To make education more interactive with new technology and other resources
- (3) To enable access to quality education through provision of teaching learning tools
- (4) To enhance the learning environment
- (5) To create capacities among stakeholders
- (6) To improve educational outcomes

II. Interventions : EdCIL targets this to be achieved with aSchool support programme through Provision and Integration of blended teaching resources and methods, including the following:

- (1) Digital literacy: Setting up and management of Computer labs including the following:
 - a) Computers for students
 - b) Projection System (Integrated Community Computer cum Projector) – Integrated technology platform providing access to multiple technologies in a Compact Unit
 - c) Power Back-up Solution- For uninterrupted power supply, back-up will be provided to the Computer and Projection System
 - d) Interactive Multimedia Content – Multimedia content mapped to curriculum with animated lessons to facilitate the learning in the classrooms across various subjects
- (2) Technology enabled learning : Use of multi media and technology to ensure greater teaching effectiveness and student learning abilities
- (3) Educational Kits : Activity based learning and use interactive Educational kits in Math, English& Science
- (4) Building As Learning Aid (BALA Concept): Educational resources for an interactive learning environment based on principles of Activity based learning
- (5) Capacity creation of Government School teachers

- (6) Life Skills programmes for students : Health and Hygeine, Soft Skills, Financial Literacy, Reading programme.

III. EdCIL targeted outcomes of the project

- (1) Enhanced proficiency in academic subjects
- (2) Improved subject knowledge, conceptual understanding and critical thinking skills
- (3) Digital Literacy
- (4) Confidence in using technology and modern teaching methods
- (5) Improved School Environment
- (6) Improved awareness to life skills

IV. Details of Hardware, Software and services to be supplied:

- (1) Integrated Community Computer cum Projector with minimum Intel i3 processor, 2500 ANSI Lumens short throw, LAN Connectivity for internet, DVD Player facility and built-in Audio system facility) and pre-loaded with windows OS
- (2) Desktop Computer Set with necessary electrification & networking (Specification: CPU – Intel i5 or equivalent, Motherboard-AMD/Intel, Memory-min 2 GB RAM, Hard Disk Drive-min. 500 GB and pre-loaded with windows OS and MS office software Monitor-18.5” LED Monitor, Keyboard & Mouse and 2.1 speakers)
- (3) Multimedia Learning Content for classes 1st to 12th as per State Board syllabus.
- (4) The Agency shall organize training of teachers for 10 days on usage of IT and Non-IT infrastructure along with a 1 day refresher. Training will be conducted in a batch of 25 teachers
- (5) The Agency will deploy one qualified & suitable School Coordinator. She/he will ensure that all supplied equipments in the school are in working condition and will also support school teacher on the usage of IT and Non-IT infrastructure. School Coordinator can be dedicated or on shared basis
- (6) The Agency will provide a 3 years comprehensive warranty on the technology products.
- (7) Agency will provide a reliable power back-up arrangement for Computers and Projection System.

Note:

1. Detailed technical literature, brand, model and/or deliverables against each of the above seven items would be separately provided by the bidder.
2. Detailed Service Level Agreement (SLA) wherever required would be executed between EdCIL and the bidder for ensuring quality back end service to the end customer.
3. Either to EdCIL or back-to-back warranty and AMC services would be offered as to be decided at the time of supply.

V. Schedule of Bill of Material:

S.No.	Particulars	Qty
(1)	Integrated Community Computer -: Integrated community computer with projector with minimum Intel i3 processor, 2500 ANSI Lumens short throw, LAN Connectivity for internet, 2 GB RAM, 500GB HDD, DVD player facility and built in Audio system facility and pre-loaded with windows 8.x of higher OS - Professional version	1
(2)	Inbuilt Screen Interactivity Option with Integrated Community Computer	1
(3)	Desktop computer: CPU- Intel i5 or equivalent, Motherboard -AMD/Intel, Memory -min 4 GB RAM with min 16 GB expandability, HDD 1 TB, DVD RW internal , Monitor 18.5" LED backlit, USB Keyboard and Mouse, External USB speakers, OS - Windows 8.x of higher professional	5
(4)	LAN – UTP CAT 6 LAN cabling to connect above computers through 16 port 10/100 ethernet switch	1
(5)	Multimedia Content for classes 1st to 12th (as per State Board Syllabus) (a) English (b) Regional Language	1
(6)	Subject Learning Kits (a) English (b) Maths (c) Science	1
(7)	Training Program for teachers on usage of technology, TLMs, classroom management etc for a batch of 25 teachers for 5 days and 1 day refresher	10 Days
(8)	Project Coordinator per months (per month)	As decided between: (a) Dedicated : Per school, and (b) Shared : 1 for every 5 schools
(9)	Supply of 2 KVA online UPS with 2 hours backup facility on lab load OR 2 KVA Solar UPS with 2 hour of back up in hybrid model on lab load OR 3 KVA Solar UPS with 2 hour of back up in hybrid model on lab load	1
(10)	Site Preparation – Electrical networking for all IT equipment in the lab, earthing for the lab Tables : 6 Chairs : 12	For 5 PC Lab
(11)	Learning Interventions for Physical Infrastructure	For classes I to VIII (a) 5 classrooms (b) 10 classrooms
(12)	Life Skills programmes for students (a) 50 hour programme (b) 100 hour programme	(a) 50 hour programme (b) 100 hour programme
(13)	Project Management	(a) 1 year (b) 3 years

Note: Detailed technical literature, brand, model, specification and/or against each of the above 13 items would be enclosed with technical bid.

VI. Pre-Qualification criteria:

S. No.	Eligibility Criteria	Documentary Evidence to be attached
1.	The bidder must be a reputed registered organization. The bidder should be operating in India for the last seven years as on 31/03/2015 in the field of Education and Training	Certificate of Incorporation and Self Declaration for non consortium

VII. **Technical Evaluation:** After short listing based on the eligibility criteria, QCBS system of evaluation would be followed. The Technical bid will be evaluated by a duly constituted

evaluation committee set-up by EDCIL. The following criteria and weightage will be assigned to the technically qualified bidders:

S. No.	Criteria	Maximum marks (Weightages)	Method of allotting marks for Technical Score
1.	Financial Capability – Annual turnover in last 3 completed financial years in India	25	Bidder with maximum turnover will be awarded 25 marks and other bidders will be allocated marks proportionately. Eg. Bidder with 300 Crores will get 25 marks and bidder with 100 crores will get $100/300 \times 25 = 8.3$ marks
2.	Number of Govt. schools in India where the bidder has executed Computer Labs Infrastructure projects in last three financial years	25	Bidder with maximum number of schools executed will be awarded 25 marks and other bidders will be allocated marks proportionately. Eg. Bidder with 100 school will get 25 marks and bidder with 50 schools $50/100 \times 25 = 12.5$ marks
3.	No. of schools wherein in similar solution comprising of Technology and Non-Technology infrastructure has been executed within India	25	Bidder with maximum number of schools will be awarded 25 marks and other bidders will be allocated marks proportionately. Eg. Bidder with 100 school will get 25 marks and bidder with 50 schools $50/100 \times 25 = 12.5$ marks
4.	No. of teachers trained in the last three years under school projects in India	25	Bidder with maximum number of teachers trained will be awarded 25 marks and other bidders will be allocated marks proportionately. Eg. Bidder with 100000 teachers will get 25 marks and bidder with training done for 50,000 teachers will get $50000/100000 \times 25 = 12.5$ marks
Maximum Technical score		100	

Technical Score should be denoted as “T_s” and shall be used to compute the final score in combination with Financial Score “F_s”

VIII. **Financial Proposals**

- (1) Bidders shall submit their financial proposals as per the format
- (2) As per the format the cumulative of all total amounts shall be calculated

IX. **Final Proposal Evaluation**

- (1) Technical Scores shall be given weightage of 0.7
- (2) Financial Scores shall be given weightage of 0.3
- (3) Final Scores shall be calculated as:

$$\text{Final Score} = T_s \times 0.7 + F_s \times 0.3$$

- (4) Bidder with highest Final Score shall be declared the selected Bidder.
- (5) In the event that two or more Bidders with same final score,
- (6) The Evaluation Committee formed by EDCIL would evaluate the technical bids. Based on the information provided in the bid, the bidders are expected to reply to all the queries from the Evaluation Committee if contacted.
- (7) After evaluating the Technical Bids, EDCIL, shall notify the bidders whose Technical Bids were short listed indicating the date, time and place for opening of the Commercial Bids.
- (8) The sealed tender forms along Technical Bid & Financial Bid on a separate envelope with eligibility proofs and quoted price (including applicable taxes) shall be received in the office of undersigned up to **1500 hrs** on **28/01/2016** and will be opened on same day at **1700 hrs** by the committee constituted for the purpose in presence of representatives of the firms/ suppliers who may like to be present. The committee reserves the right to accept or reject the tenders without assigning any reason. The incomplete and conditional tenders received late will be out rightly rejected.

EdCIL (India) Ltd.

SECTION – III

TERMS AND CONDITIONS OF THE BID

1. Standards:

The Goods supplied under this contract shall conform to the standard mentioned in the Technical Specifications, and when no applicable standards are mentioned, to the authoritative standards, such standard shall be the latest issued by the concerned institution governing that standard.

2. Delivery Period:

2.1. The delivery period would be 8 weeks from the date of issue of individual sub purchase order after signing of rate contract agreement. These shall not apply in cases of orders where a separate delivery period is communicated at the time of issuance of order based on end client requirement.

2.2. The delivery period should be adhered to as will be mentioned in the Award of Contract. The supply shall actually be deemed to have been complete on the actual date of entire installation of all components/ items as per terms of sub purchase order.

3. Penalties:

3.1. A delay attributable to the agency in the performance of its obligations shall render him liable to any or all of the following penalties:-

3.1.1. In case of Non / partial supply of the equipment within a stipulated period, penalty @ 1% of total contract value for every week of delay on the defaulted amount.

3.1.2. Hiding of facts, misrepresentation, corrupt practices by the Bidder if revealed at any stage, would lead to forfeiture of EMD and subsequently the firm may also be blacklisted by EdCIL.

4. Standard of Performance

4.1 The firm shall carry out the supply order and carry out its obligations under the contract with due diligence, efficiency and economy in accordance with generally accepted norms techniques and practices used in the industry. The agency shall also adhere to professional implementation and support services including committed warranty/AMC services during the execution of the project.

Agency shall always act in respect of any matter relating to this contract, as faithful advisors to EdCIL and shall, at all times, support and safeguard EdCIL's legitimate interests in any dealings with the third party.

4.2 The bidder would be required to support the product with all spares/patches etc for the supplied period for a total period of five years from the date of supply.

4.3 Consignee of the product would either be EdCIL or any other entity including end customer as mentioned in the sub purchase order.

5. Schedule of Payment

5.1 EDCIL will release the payment to the bidder on back to back basis on receipt of related payment based on certification of the end customer. The bidder shall submit a PBG of 5% of the order value to EDCIL for every project being awarded under this rate contract.

5.2 The Rate contract is valid for a period of 1 year which can be further extended on mutually agreed terms and conditions for a period of another 2 years. However the supply being of hardware with expected decrease in unit prices the price shall be negotiated at the end of year if the agreement is extended. The vendor shall however supply all patches and modifications as may be applicable.

6 Taxes and Duties

The taxes payable shall be extra as applicable in both cases i.e. Indian and International markets. EdCIL would avail CENVAT/ input credit wherever applicable.

7 Non-Disclosure

The bidder and their personnel shall not, either during the term or after expiration of this contract, disclose any proprietary or confidential information relating to the services, contract, terms, prices or the client's business or operations details without the prior written consent of the client. EdCIL would also not disclose similar details without prior approval of the bidder.

8 FORCE MAJEURE:

8.1 Notwithstanding the provisions of the bid, the bidder shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, its delay in performance are other failure to perform its obligations under the contract is the result of an event of Force Majeure.

- 8.2 For purposes of this Clause, “Force Majeure” means an event beyond the control of the bidder and not involving the bidder and not involving the bidder’s fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the client either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 8.3 If a Force Majeure situation arises, the bidder shall promptly notify the client in writing of such conditions and the cause thereof. Unless otherwise directed by the client in writing, the bidder shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. The client may terminate this contract, by giving a written notice of minimum 30 days to the bidder, if as a result of Force Majeure, the bidder being unable to perform a material portion of the services for a period of more than 60 days.
