

Press Release

EdCIL celebrated “International Women’s Day” with great zeal and enthusiasm on 06th March, 2026. The event was organised around the theme “Give to Gain,” highlighting the spirit of empowerment, mutual support, and recognition of women's contributions in the workplace.

The celebration was graced by the presence of Shri Himanshu Gupta, IAS, Chairman & Managing Director of EdCIL. During inaugural address, Shri Gupta acknowledged the valuable contributions of women employees to the organisation’s/society's growth and success. As a gesture of appreciation, he presented gift cards to the women employees and announced various facilities for women's empowerment including crèche facilities at EdCIL, further strengthening the organisation’s commitment to creating a supportive and inclusive work environment.

As part of the programme, an informative session was conducted by Dr. Aditi Agrawal, Gynaecologist Apollo Hospital, who spoke about the most common cancers affecting women. The session provided valuable insights and raised awareness among employees regarding women’s health and preventive care.
