Title: Supply, Installation, Commissioning and Operation of Jammers on Rental Basis in Examination Centers across India during the Conduct of Computer Based Tests/ Examinations

S.No.	Pg No.	Section No.	Clause No.	Reference/Subject	Clarification Sought	Reply
1	13	Chapter 4 (4.2 Detailed Scope of work)	F	The jammer service should be uninterrupted during the conduct of examination and at any point of time should not be affected by any technical fault/ power failure. Successful Bidders shall be obliged to provide onsite technical assistance at every examination center in terms of manpower including a technician and electrician.	ECIL Classroom Jammers do not have power backups and the same cannot be provided in case of failure of power at examination venues. Accordingly, we request to kindly reconsider the clause.	Supply of electricity for operating jammers with back-up shall be provided by each examination centre
2	13	Chapter 4 (4.2 Detailed Scope of work)	I	Jammer service should cover exam rooms, toilets and bathrooms within the center.	ECIL has not deployed jammers inside toilets and bathrooms in any of its previous examination assignments. Accordingly, kindly clarify the requirement for such coverage.	The jammers should be installed in such a way that the signals should be jammed in toilets and bathrooms also.

3	16	Chapter 5 (5.12 Financial Evaluation)		It is requested that the condition under Clause 5.12 of the present tender may kindly be retained in the same manner as Clause 5.18 of the tender published in 2022 vide EdCIL tender no. NIT No. EdCIL/OTAS/JAMMER/2022/01 dated 09.03.2022 by your organization. The earlier financial evaluation criteria provided an opportunity to both L-1 and L-2 bidders and importantly, mitigated the operational risk associated with entrusting simultaneous high stake and large number of candidates examinations across the country to a single vendor. Hence, the same provision may kindly be incorporated in the present tender as well.	No Change. However, EdCIL management reserves the right to cater its requirement based upon the situation at that point of time.
4	52 Annexure-9 1)(f)(g)(i)		Tender registration/ user ID activation	We have registered BEL on Tender Wizard Platform with user ID: nikhilmangal. The activation of user id is still pending. The mobile no given of tender wizard helpdesk is not responding for any information/ support regarding online tender submission on tender wizard.	The user id is received and the tender is active for download
5	16 Chapter-5 5.14		Date of pre-bid meeting	Pre-bid meeting is scheduled to attended virtually but the date of the pre bid meeting is not	Due to limited Pre-bid queries, it was not desirable to conduct pre-bid meeting and the reply

					mentioned in the tender to pre-bid queries received are document.	clarified.
